

## Project Profile

### Digital Media Incubator & Film Production Studio | Santa Ana, California

<b>Client</b>	Arquitectonica
<b>Project Value</b>	\$5.9m
<b>Services Provided</b>	Cost Consultancy
<b>Project Size</b>	28,000 sq ft
<b>Architect</b>	Rancho Santiago Community College District

#### Overview

The 28,000 sq ft Digital Media Center for Santa Ana Community College features a 2-story welcome center, a business incubator for developing digital media businesses, classrooms, and production facilities for Santa Ana College TV/Video department and SAC-TV.

#### Our role

Rider Levett Bucknall provided cost estimating services at the construction documents phase of pre-construction.

**Client benefits**

Our estimate provided the design team and Owner with an accurate budget to compare with solicited bids. This supplies an impartial benchmark upon which to evaluate Contractor's prices, ensuring a more fair and reasonable tender outcome to the bid process.
